

## California Woods

1. Where is California Woods?
2. What are we missing on this map that would really help us out?
3. What change in elevation does each line represent?
4. Circle the highest elevation in this watershed.
5. Circle the lowest elevation in the watershed.
6. Put a star where the bridge would cross the Lick Run Stream.
7. Draw an arrow down the area that would be the most fun to sled.
8. Draw a square in an area where you could install a swimming pool.
