

# Available Grants for Educators

Apply for a Memorial Education Grant honoring conservationist David Diebel & Julius Odegard.

A \$500 grant for Hamilton County educators who want to enhance environmental education in their classroom or school is available. Projects involving land labs, field trips, hands-on activities, even teacher trainings and workshop costs will be considered!

Each year the Hamilton County Soil & Water Conservation District holds a silent auction at their annual meeting to raise funds for classrooms.

Applying is easy! Visit our website and fill out the application: [www.hcswcd.org/teacher-grant](http://www.hcswcd.org/teacher-grant)

## **CHECK OUT OUR WEBSITE FOR MORE INFORMATION:**

[www.hcswcd.org/teacher-grant](http://www.hcswcd.org/teacher-grant)

### **Does your idea fit into one of these 5 categories?**

- Environmental Field Trips
- Classroom Projects promoting Conservation
- Land Lab Development
- Training on Conservation Issues
- Teacher Workshops

### **If so, answer these three questions!**

#### **Needs:**

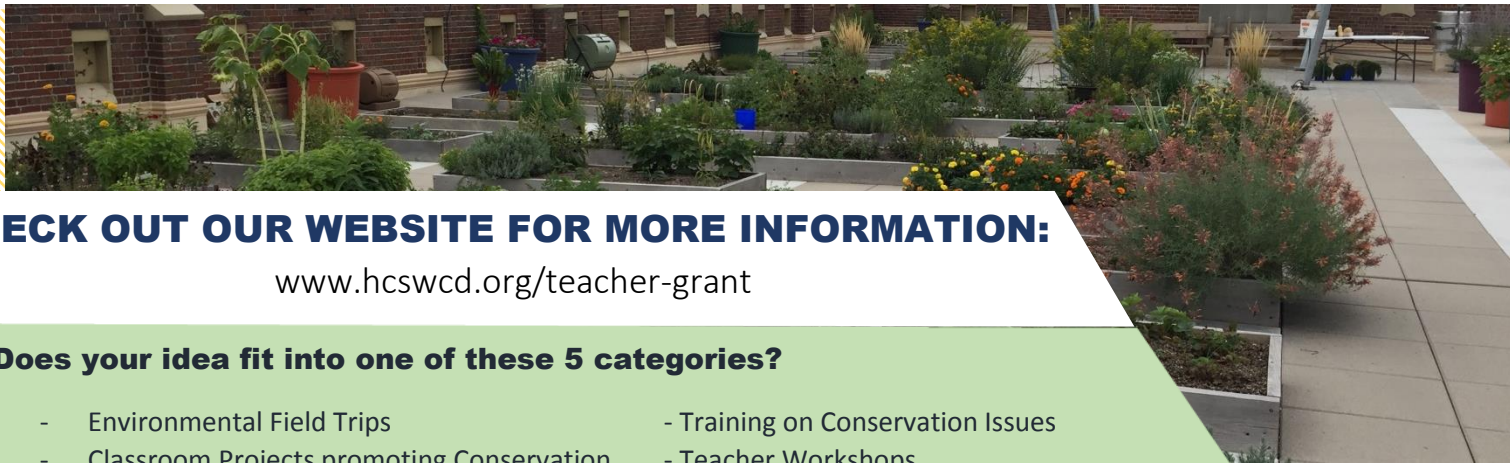

What are the needs of your students? What environmental issue in your school does your proposed project address?

#### **Objectives:**

What do you hope to accomplish with your project? Approximately how many teachers and students will be involved? Will the project extend into the community and how?

#### **Budget:**

What is your estimated budget? Please include an itemized budget, including any in-kind donations!
