

Make a splash in your class with
Project WET!
Saturday, February 23, 2019
9 am – 3:30 pm
Fernald Preserve
7400 Willey Road, Hamilton, Ohio 45013
Grades 1- 8

This workshop is not just for science teachers; these multidisciplinary programs place special focus on incorporating reading, writing, math and social studies while teaching about water resources through hands-on, investigative and easy-to-use activities.

The interdisciplinary activities are effective tools for integrating student knowledge of water resources through the study of real-life scenarios, simple models and simulations that provide strong foundations for STEAM and Service-Learning programs.

- **Cost:** \$25. Attendees will receive a nationally recognized curriculum and other resources for their classrooms.
- **Registration Deadline:** Friday, February 8, 2019.
- **Questions:** Contact Lynn White at 513-887-3720 whitelr@butlercountyohio.org or Sara Fehring at 513-772-7645 Sara.Fehring@hamilton-co.org
